# Somaiya Vidyavihar University

*A new milestone in a glorious ongoing journey*

Established in 2019, Somaiya Vidyavihar University, Mumbai, is a self-financed, autonomous university recognized by the University Grants Commission (UGC). Somaiya Vidyavihar, with over six decades of rich experience in building and managing educational institutes of great repute, is the sponsoring body.

Operational from 26th August 2019, Somaiya Vidyavihar University is a place where you can explore new possibilities, pursue your passion and above all, find yourself.

Somaiya Vidyavihar University is located in the heart of Mumbai and boasts of a sprawling green campus. The university is equipped with excellent educational, recreational, community, health, and sports facilities.

Somaiya Vidyavihar offers students the flexibility to simultaneously earn degrees and certifications in multiple disciplines offered by our constituent colleges.

## Shri Samir Somaiya, Chancellor, Somaiya Vidyavihar University

Welcome to Somaiya Vidyavihar University. We are a place where you can explore new possibilities, pursue your passion, and above all, find yourself.

Our motto is: **ज्ञानादेव तु कैवल्यम्** | Knowledge alone liberates. Knowledge provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's **समाज**, country, and indeed the world.

The education we provide will reflect its timeless fundamentals, its current context, and applications. We will strive to provide you with an environment to engage this world, to discover new truths, make new applications to create and share knowledge. Our education will also be experiential and holistic. With projects that are 'real' and those that complement the learning inside the classroom. We want you to be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of your passion. Our education will also instill an appreciation for art and culture, the Indian tradition, and will include sports as a part of the campus experience. We want each of you to lead a full life, to fall in love with life.

Our dream is to build a world-class research and teaching institution, that is global in the reach of its ideas, and universal in its service. I invite you to come and be a part of our community and to further this mission.

## Prof. V. N. Rajasekharan Pillai

Vice Chancellor  
Somaiya Vidyavihar University

S K Somaiya College is a premier institute of higher education in liberal arts, humanities, commerce, science and social sciences under the Somaiya Vidyavihar University, Mumbai.

S K Somaiya College offers a variety of undergraduate and postgraduate courses, curated and developed by a large number of eminent teachers and experts from the industry, serving on the statutory academic bodies of the College. The teaching-learning system of the College ensures acquisition of knowledge and skills at all levels - professional development, work experience and commitment to life-long learning. The College follows global standards in syllabi, curricular transactions, industry-society immersion and exposures, and innovative examination patterns. The courses are taught by highly qualified and experienced teachers with the top academic credentials like Ph.D Degrees. In industry-relevant subjects like Commerce, Business Studies, Information Technology, Mass Media, Computer Science and Applied Sciences, renowned professionals from the industry and corporates are engaged as Adjunct and Visiting Faculty for teaching and training. The courses are so tailored that the students get excellent and diverse opportunities for academic progression in their own post-graduate courses, for industrial placements in multinational companies, and for furthering education and research in premier Research and Development institutes in the country and abroad.

S K Somaiya College students will be uniquely privileged to benefit from the most advantageous facilities like in-campus entrepreneurship/start-up innovations for students through the Research Innovation Incubation Design Labs (riidl) and BioRiIDL, and entry into core areas of advanced research through the Somaiya Institute of Research and Consultancy (SIRAC).

I have great pleasure in inviting you to the Somaiya Vidyavihar University, and I wish you best of luck in getting admitted as a student of this meticulously planned futuristic college of integrated UG and PG Studies.

## C.A. Monica Lodha

Director - S K Somaiya College  
Somaiya Vidyavihar University

### **“Arise Awake and stop not till the goal is reached”**

S K Somaiya College is a constituent college of Somaiya Vidyavihar University with a future-ready & state-of-the-art infrastructure, located on the University's sprawling campus in Mumbai.

The college is set up to provide quality affordable education by making it accessible to all sections of society. It offers diverse educational programmes in the fields of Commerce, Management, Humanities, Social Science, Science & Technology, giving the students the opportunity to not only choose from a wide choice of subjects but also to explore various academic formats. It also offers the flexibility to complement a Major with a Minor degree, and develop advanced theoretical and research skills in the Honours programme. All of this is aimed at giving an extra edge to students, enabling them to display their varied skill sets and talents upon embarking on a career in a competitive corporate market.

We follow a student-centric approach integrating both traditional and the new-age innovative practices. The classroom is looked upon as a site of engaged learning, reflective action and participatory pedagogy, through value-based holistic teaching and learning.

Our endeavour and commitment are to help our students to generate innovative ideas, equip them with the skills needed to adapt better to the changing global scenario. This approach not only ensures that they gain access to multiple career opportunities but is also beneficial to society at large. In the words of our founder, we want our students not only to learn how to make a living but also how to live.

Looking forward to an enriching journey together...

## Shantilal Karamshi Somaiya College

The rate at which the world is changing is unprecedented. What is a breakthrough in the morning, is obsolete by evening. How does one create an education system suited to such times? The brightest academicians and leading industry experts came together to evolve a solution; and the S K Somaiya College has been established - an educational system, **designed by the future, for the future.**

A constituent college of the Somaiya Vidyavihar University, S K Somaiya College, was established to provide students multi-disciplinary programmes with a wide array of professionally oriented educational choices that empowers them to successfully migrate from in-depth theoretical knowledge to practically applying the same effectively, in corporate setups too.

The core objective of this revolutionary new system is to develop individuals with well-honed multidisciplinary education, that allows them to effortlessly adapt to any professional challenges they might be faced with.

Situated in a lush 50-acre Somaiya Vidyavihar campus in the heart of Mumbai, and equipped with state-of-the-art facilities, including fully-furnished hostels for girls and boys, various dining options, 24x7 medical centre, sports fields, etc. Our students are assured of having the most unmatched educational experience.

## Academic Flexibility

The global economy is passing through a VUCA (Volatility Uncertainty Chaos Ambiguity) phase. Job security & long-term career plans, are becoming less relevant, to a point where it has become a new normal for millennials to average up to seven job changes in a lifetime. Most popular curricula have been found to be lacking in preparing students for the uncertain professional challenges.

At this point S K Somaiya College in collaboration with industry experts, took upon itself the task of creating a top-of-the-line, multi-disciplinary liberal programme that would enhance the student's mind's capability for critical thinking and ability to analyse and use information effectively.

Our programmes are designed to keep students gainfully employed through their lifetime, this evolutionary programme allows students not only a Bachelor's degree but also an opportunity to learn advanced courses, earning one an **Honours Degree**.

Not only do students get a wide choice of subjects they can Major in, along with it they can undertake a **Minor Degree** providing a multi-disciplinary edge to their learning. The Minor courses could be from another stream in the same college or in other subjects viz. Branding & Marketing, Indian & Foreign Languages, Religion and Culture, Psychology and many others, being offered by the other constituent colleges of Somaiya Vidyavihar.

For students who want to expand their networks and fast-track their careers, the college is also proposing to offer **Dual Degree Programmes** which allow them to pursue two degrees simultaneously in the same domain or two different domains.

At S K Somaiya College, education goes beyond the classroom, into the sports field, auditoriums and studios as well. Our students are encouraged to take up Exposure Courses in Music, Languages, Arts, Sports, as part of their Graduation.

To add to this, they can even opt for **Certificate Courses** in varied fields of their interest viz. event management, design thinking, travel and tourism.

This unique liberal approach prepares students in multiple disciplines to a great level of professional proficiency so that they are able to attract way more professional opportunities.

# Attributes setting S K Somaiya Graduates apart

The bedrock of S K Somaiya College's academic philosophy is that every student who successfully completes their programme would have thoroughly imbibed the lifelong professional attributes that our programmes are designed to instill in them, before they go forth into the world to chart their own course.

## **Academic excellence:**

Sound theoretical and practical knowledge of the subjects studied.

## **Professional Efficiency:**

Ability to use the knowledge to efficiently meet the demands and challenges in ones career.

## **Engagement with the Society:**

Through their subject knowledge and co-curricular activities, serve the society, especially those at the bottom of the pyramid.

## **Environmental Sensitivity:**

Environmental care has taken prime position because of the threats currently faced by the planet. Our students get sensitized through various academic and extra-curricular activities.

## **Critical Thinking:**

Our graduates will have developed evaluative thinking skills which would benefit the individual learner, the community, and the entire world.

## **Analytical Thinking:**

Critical thinking leads to an analysis of the subject i.e. understanding beyond the verbal meaning and establishing cause-effect relation. S K Somaiya graduates will have developed the ability to collect and analyze information, problem-solve, and make decisions efficiently.

## **Creativity and Originality:**

The regular practice of applying critical thinking and analysing of the subjects, makes the students original thinkers who can establish their own views, ideas, principles, and theories on any subject.

## **Strong presentation and communication skills:**

Our students are taught how to actively listen to and also prepare, create and deliver clear & effective presentations, reports, briefings etc. All of these are critical for work place success.

## **Leadership and team spirit:**

Team building is taught both as an art and a science to our students, they learn to collaborate and work together on various assignments given to them. Working on group assignments helps them to tap into their innate leadership qualities and nature them too.

# Future-ready Course Offerings

S K Somaiya College has relooked at and re-scoped all its offerings to give students a relevant and futuristic education in the fields of Commerce, Arts and Sciences.

## Commerce and Business Studies

While Commerce and Business Studies has been a forte for Somaiya Vidyavihar campus from decades, fact is that the business environment and economic ground realities have changed radically. Our Commerce and Business Studies Programme offers a bouquet of up-to-date options ranging from Accounting, Finance, Banking and Management that have been created, keeping these new realities in mind. These Programmes are top-end courses that will prepare a student for a successful career in the field of commerce and management. The contents of these programmes are developed to meet the current and future industry demand, in close co-operation with all the stakeholders viz. faculty, alumni, industry, academic experts, etc.

The Master's Programmes in the field of Commerce and Business Studies are aimed at Graduates of Bachelor's Programmes with above-average ability, who are keen to obtain an advanced knowledge-based qualification. The Master's Programmes at S K Somaiya College build on the skills and knowledge acquired at undergraduate level. These programmes are geared towards practical application. They promote analytical and reflective skills and enhance the career prospects of those aspiring to middle and senior management positions as well as of those choosing to pursue entrepreneurial endeavours.

## The pillars for Balanced & Enriched learning

### Our distinguished faculty – the Pride of Academia:

The responsibility of arming our new generation of students with our new-age syllabus has been entrusted to the able hands of our distinguished faculty who have a deep understanding of academics and in-depth industry experience. They are well-versed with modern teaching methodologies that enable them to connect with the students. Our guest lectures expose the students to a wide range of ideas and perspective.

### Our Future-ready Syllabus

Ensures an optimal mix of on-campus and on-site education via summer internships and industry projects: While many students, in general, might intellectually understand concepts, the real test comes when they must apply what they have learnt, in the real world. Our syllabus is designed to factor in a judicious mix of stimulating theory as well as hard-nosed practical applications of the same. This further empowers our students to be truly future-ready.
